

Good Roads

Fourth Annual Municipal
Concrete Award

Good Roads

2022 Municipal Concrete Award

Sponsored by Concrete Ontario

The purpose of the award is to promote and recognize the successful collaboration between municipalities and concrete producers for excellence and innovation in municipal concrete projects in Ontario.

This is an annual award. The finalists will be announced via email in late January. The Municipal Concrete Project of the Year Award will be announced at the 2023 OGRA Conference.

Please complete all areas of the form. If your municipal concrete (paving, bridge and culvert, flatwork, sidewalk and curb) project qualifies, send the forms to the address below. If judged as the winner you will receive 2 handsome trophies: one for the Region/Municipality, one for the Contractor. The finalists will receive plaques as well.

Deadline and entry information

Completed forms and supporting documentation must be postmarked no later than December 23, 2022.

Good Roads
22-1525 Cornwall Road
Oakville, ON | LBJ 0B2

Submissions received after this date will not be accepted.

Eligibility

The application should be a collaborative effort between the Region/Municipality and Contractor and signed off accordingly. The hot mix asphalt paving project should have been completed between January 1, 2022 and November 30, 2022.

There is no minimum contract value and both capital and maintenance projects are eligible.

Judging Criteria

- Conformance to specifications based on testing
- Visual appearance
- Workmanship
- Innovation
- Other considerations (work window, night paving, traffic, interaction with public, etc.)

Cost

There is no cost for the application. It is an excellent opportunity to showcase your project to the rest of Ontario.

Judging Panel

The submission will be reviewed and finalists decided by a minimum of 5 panelists who are members of the CAC/CO/Good Roads Municipal Concrete Committee.
